

# It's Box Top Submission Time!

Take all those box tops you have been collecting & submit to your classroom teacher. Be sure to label your submission with student's name, teacher, grade level, and # of valid box tops (see expiration dates shown on individual box tops). Group in sections of 25 or 50 box tops when possible. You can toss them into a sandwich baggie or tape/glue them to a collection sheet or any blank sheet of paper. (Collection sheets can be printed from the PTA tab on Wallin website).
