

## Wallin Elementary School After School Pick-Up Procedures Parent Response Sheet

As we try to finalize end of the day procedures and put appropriate safety measures in place, we need a little input from you as to how your child will go home each day. Please indicate below how your child will be going home on a regular basis.

Child's Name \_\_\_\_\_ Grade \_\_\_\_\_ Teacher \_\_\_\_\_

\_\_\_\_\_ An adult or high school sibling will pick up my child at the line up dot on the playground.

\_\_\_\_\_ My child will walk home.

\_\_\_\_\_ My child will walk to a prearranged meeting spot.

\_\_\_\_\_ My child will be riding his or her bike.

\_\_\_\_\_ My child will ride the School Bus.

\_\_\_\_\_ My child will go to SafeKey in the M.P. Room.

\_\_\_\_\_ I have a kindergarten student as well. I would like for my older child to meet him or her on the kindergarten playground before going home the way I have indicated above.

\_\_\_\_\_ I have a younger child in grade \_\_\_\_\_. I would like my older child to meet him or her at their line-up dot before going home the way I have indicated above.

If you need to change the way your child goes home throughout the year, please inform your child's teacher. Thank you!

For safety reasons, we are not allowed to take messages in the front office to tell your child to go home in manner different from which you told them in the morning. The only exception to this would be for your child to go to SafeKey as proper identification is required to pick up the student.
