

The Paw Print April 2019

A report of Wallin Elementary PTA past and future footsteps

Happy April from the Wallin PTA - only 33 days of school left but...who's counting? ☺

An enormous thank you to all the wonderful Wallin families that came out to Chick-fil-A night and the Spring Dance. It's always a great time when our Wallin families are having fun with one another! The dance contests, games and beautiful weather rocked. We really appreciate all the work by Coach Stevenson and, treats for sale by the 1st Grade teachers which made the night extra sweet.

Here is a list of our amazing vendors that supported the Spring Dance. Don't forget to keep these companies in mind for your next party!

CELEBRATE SUCCESS

Through your support the PTA recently approved two school grants for the Wallin library.

- ❖ \$2,000 for AR book prize incentives. This will be used towards the purchase of books as incentives instead of dog tag prizes.
- ❖ \$3,000 for additional books in the Wallin library. There were additional school funds put towards the purchase of new books as well. Many of the books in the library are 8-10 years old!

Lastly, from Chick-fil-A night we earned back \$344.38 and from the Spring Dance/silent auction \$525.00. When we support the school amazing things happen!

PTA Reminders

We are currently in need of a PTA President! Even if you do not want to be the PTA President and you can help run a program, now is an important time to get involved. PTA positions are available now and voting for the 2019-2020 school year PTA will be April 25th. Contact us on the Wallin PTA Facebook page or wallinpta@aol.com.

We encourage you to join the PTA as a support member because it is a great way to learn about the school, make new family friends and support Wallin. Remember that new families bring new ideas!
