

The Paw Print May 2018

A report of Wallin Elementary PTA past and future footsteps

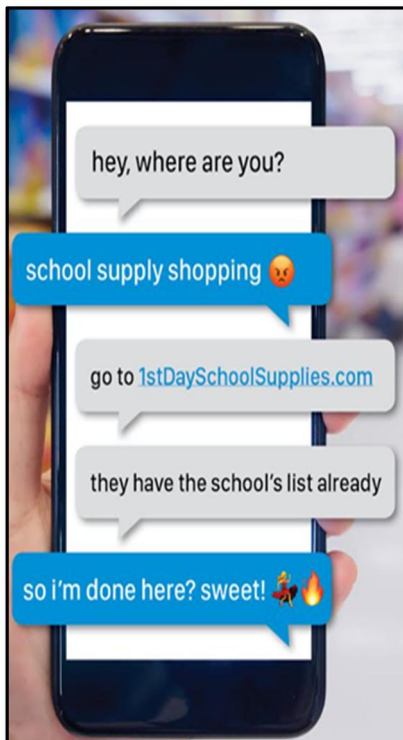

The Parent Teacher Association (PTA) cannot express enough gratitude for all the support throughout the year. Whether you volunteer on the PTA, provided an extra lunch for Two-Lunch-Tuesday (2LT), scanned your receipts, volunteered in-class support or donated food/monetary items – every effort counted. There are schools all over Clark County that do not have PTA's so, we are so lucky to have incredible parents that are involved!

The PTA has a lot of amazing things planned in 2018-2019 but, we need your help! There are tasks big and small for every family and every comfort level. PLEASE, PLEASE, PLEASE reach out to WallinPTA@aol.com today.

HAVE A GREAT SUMMER!

CELEBRATE SUCCESS

Thank you to every family member who bought a snow cone, class baskets, raffle tickets or donated to APEX. Through those contributions the PTA provided over \$37,000 to the school enVisions math program which, will pay for the next SEVEN years of teacher/student books and all manipulatives!
