

The Paw Print August 2019

A report of Wallin Elementary PTA past and future footsteps

Welcome back Wallin families! The Parent Teacher Association (PTA) is so excited for a new year and have already started with a full calendar of events.

The Boo-Hoo breakfast had very few tears and was filled with delicious pastries and drinks. An enormous thanks to the Miller family for the Panera Bread breakfast donation! Things like this are not possible without community support. As part of the kick-off we asked parents to tag Wallin PTA on those adorable back-to-school photos. Congratulations to the The Stuercke and Kautzman families who participated and won fall festival entry + raffle tickets.

Thanks to those families who came to Banana Split Bingo. We really hope you had "scoops" of fun. Can you believe as a group we ate 14 GALLONS of ice cream - WHOA! The older kids and adults who jumped into help scoop was truly the sweetest part though.

- ❖ First Day School Supply kits 122 sold = \$488 raised
