Dear Wildcat Families,

Happy New Year! We are looking forward to continued academic success with the digital learning platform. We are ready for what changes may come with the new year. Our main priority is your child’s well being and academic success. Please do not hesitate to reach out to us. We are here to help.

We thank you for your support and look forward to an amazing New Year!

Anchored in Excellence,

Anna Hurst, Principal

New Beginnings: With a New Year comes New beginnings! Mrs. Leanna Mackelprang will no longer be the strategist at Wallin Elementary School. We are happy to share that she has been promoted to Assistant Principal of Barber Elementary. Leanna started her career at Wallin as a teacher in 2011. She has been an integral part of our school community for a decade. We will miss her dearly. Congratulations Leanna Mackelprang! You will always be a Wallin Wildcat!

Attendance Reminder: Students are considered present/participating for an attendance day and course based on the following definitions:

1. The student makes progress in their classwork leading toward mastery of the Nevada Academic Content Standards and/or an assignment completion that can be verified through a learning management system or other means; and/or
2. The student participates in a real-time class session (e.g., attends a live Google Meet); and/or
3. The student meets with or otherwise communicates with a licensed teacher or licensed substitute teacher who is able to discuss the student's progress in the particular course.

Progress Reports and Report Cards:

In alignment with full-time distance education, parents/guardians will access student progress reports and report cards through Campus Parent by clicking on the Documents Tab on the Index Menu. This method allows immediate access for parents/guardians to review students' progress and grades. As parents/guardians have immediate access to grades through Campus Parent, schools will no longer print and distribute progress reports and the District will no longer print and mail report cards home. Parents/Guardians who require a printed report may contact their student's school to request a copy. The District will communicate centrally through ParentLink with parents/guardians regarding progress reports and grade postings in alignment with the reporting calendar. Report Cards will be available for viewing on January 7, 2021.

If a parent/guardian does not have Campus Parent, please refer to the instructions at [Parent Portal](#). Instructions to access Campus Parent can be found at [Infinite Campus](#).
