Testing Calendar- Testing Begins this Week:

- **SBAC Exam** – Grades 3-5: All students in grades 3-5 will be taking the Criterion Referenced Test (SBAC) March 02 through May 18, 2018. The SBAC is a state developed criterion-referenced test that measures the achievement of students relative to the Nevada Academic Content Standards.

We will implement ***School wide Quiet Hours starting March 2, 2018 from 8:00-11:30a.m.each day.*** It is important that there are no interruptions within the classrooms during these dates and times. We will be adjusting all our schedules so students will be testing without interruptions, and we ask you to do the same. Please schedule any appointments accordingly, so students do not miss any testing time.

Please check with your child's teacher for the specific testing dates of their class.

Help Your Child Do his or her Best on These Tests by Ensuring he/she:

- Gets a good night's sleep (research says elementary aged students need 10-12 hours of sleep).
- Comes to school happy (positive talk, compliments, not rushed)
- Eats healthy. Listed below are some *Brain-Boosting Super Foods* for breakfast and dinner you may want your child to eat in preparation for testing.

Each day of testing, eat a protein-rich diet. Good breakfast items might include:

- Eggs,
- Low-fat yogurt (plain yogurt is best – then add your own fruit or granola at home)
- Cottage cheese
- Nuts (almonds, pecans, cashews)
- Berries – blueberries and/ or strawberries
- Banana
- Oatmeal
- Granola
- Green tea
