APEX Fundraiser:

We are excited to announce that our school will once again be participating in the APEX Fun Run as the major fundraiser. While helping us to raise funds, the APEX team will also be working with our staff to teach leadership and fitness. To learn more about this program, please visit www.apexfunrun.com. During the Apex Fun Run, students are challenged to get pledges for the laps they will run on their Fun Run Day. Students will run for 30 minutes and will run an average of 26-36 laps, with the maximum amount of laps being 36 (each lap is 1/16th of a mile). Sponsors can pledge any amount per lap (\$0.50, \$1.00, \$2.00 etc.). All participants will receive an access code that allows you to enter pledges online. All students will receive Apex bands, race-day lap counters, and team awards. We will need your help in the following four ways:

- Help connect your child to potential sponsors and help them acquire pledges from family, friends and contacts.
- Ask your child about the “Apex STRONG” character lessons, and download the “Apex Fun Run” App!
- Come to the Apex Fun Run and don’t forget to invite others to attend our fun-filled community event. (Open to all families)

Reminders

BOX Tops: You can help make a difference for our school by saving and turning in “Box Tops.” Simply clip the “Box Top for Education” symbol off many of your grocery items and attach it to the sheet. Once your sheet is full, have your child send it back to his/her classroom teacher. “Box Tops” can be found on items such as: Betty Crocker, Pillsbury, Hamburger Helper, Kleenex, Nestle, Cheerios, Chex, Ziploc, Hefty, Natural Valley, etc. If you would like more information on how to support our school, please contact our PTA at wallinpta@aol.com

Apple Core Reading Incentive Program: Please see the attached flyer and Apple Core Bookmark coming home soon with each child. This reading incentive program comes to us through a partnership between the City of Henderson and the Clark County School District. As students read at home for 30 minutes, an adult initials half an apple on the Apple Core bookmark. When the bookmark is full, the student brings it to the library and receives a prize and a new

bookmark. At the end of the year, a drawing will be held for a home computer. The more bookmarks a child has completed and turned in, the better their chances for winning.

Accelerated Reader: The computer lab by the front door is open Tuesday through Thursday from 7:30-7:50 for AR testing. Only students will be permitted to the lab. A staff member on duty will be present to assist students. See Ms. Triepke if you need support with logging on.

Drop-off Lunch Table: A “drop-off” table is set up in the Multi-Purpose Room for parents to drop off a lunch in the office. Please know we will not call to the classroom and disrupt instruction to let your child know his/her lunch is here. Your child will simply check the table when they walk into the lunchroom. Please be sure your child’s name is printed on the bag.

School Website: Check out our fabulous website at WallinElementary.com. The website is a great tool to stay informed and up to date on events and activities throughout the school.

Visiting/Volunteering at the School: When you visit the school, please report to the office. All volunteers are required to have a Visitor’s badge issued by CCSD. Please arrange visits 48 hours in advance with your child’s teacher. If you do not have a badge, you will not be allowed to visit on that day. You will be asked to show personal identification until we get to know you. If you have a scheduled appointment with a teacher or need to drop off items, please check in with the front office and they will notify the teacher that you are in the office.
